## GLAMMY-ROUS

PLUS: R.I.P. BETTIE PAGE

Here's a little taste of our post-Glammy Awards antics: totally embarrassing karaoke moments, drunkenly flirting with DJs and attempting to steal a Glammy trophy. But we'll get to all that later.

Tuesday night, adorable British rapper **QBoy** performed at **Epiphany** and **Jasen Kaplan's Camp Karaoke**. The crowd at **Barracuda** was star-studded as always: **Stephen Heighton** (sans his new Ford model BF), **Don Hood**, **Dylan Pass**, Broadway star **Danny Calvert** and **Zoe Murphy** were all on hand to catch the cutie's rhymes.

Wednesday night we toasted HX's 900th issue with a who's-who of nightlife notables at **EvoLve**. The soirée doubled as our annual holiday party, and believe us, we got into the holiday spirits. Seen: Mr. HX winner **Doug Repetti**, **Stephen Pevner**, **Derek Graves**, Whore's Mascara's **Lonni Bahls**, DJs **Brenda Black**, **Rich King** and **Drew G**, **Will Hernandez**, **Myk'l Black**, **Michael Musto**, **Chuck Attix**, **Gregory Nalbone**, Nasty Pig's **David Lauterstein** and **Fred Kearney**, **Tai Chi** and **Duane Torez**, **Robin Byrd**, **Pinups Magazine's Christopher Schulz**, **Peppermint** and, of course, the lovable staff of HX Magazine.

As soon as the free booze dried up we were off to **Café 50** where the entire

**House of Acid** was celebrating the bday of one of our favorite 900 cover queens, **Acid Betty**. **Epiphany**, **Lude Wigg**, **T-Boy**, **Anarexia** and the rest of the gang turned it out in full Acid realness for **Night of a Thousand Bettys**, then kept the party going til the wee hours of the morning at **Marquee**. Seen: **James Coppola**, [fulltimefriend.com](http://fulltimefriend.com)'s **Libby Brooks**, **Hunter Thompson**, **Adam Klesh** and **Brian Mills**.

Meanwhile, over at **Viada**, porn stud **Brent Everett** stopped by DJ **Brenda Black** and **Chris Ryan's Sugar** with his hot booking manager and a group of their sexy friends. The cuties partied it up with **Myk'l Black** and **Rush** owner **Dave Beatty** in the bar's VIP lounge.

We didn't make it to **mr. Black** on Thursday night—we gots to get some beauty sleep sometime—but if the videos we've seen on Facebook are any indication, **I Love NY** and **Boys Gone Wild** are as fantastic as ever. **Beyoncé** choreographer **Jonté** gave the crowd **Sasha Fierceness** before turning the stage over to Miss **Ericka Toure Aviance**.

Refreshed and revitalized from our night in, we hit **Spank** on Friday for another one of **Will** and **SeanB's** wild loft parties. It was frigid outside, but the boys were steaming up the windows of

## NIGHT OF 1000 BETTYS @ CAFÉ 50

It's probably safe to say that **Acid Betty** had the best bday ever this year. Not only did her nearest and dearest turn it out at her party at **Café 50** on Wednesday, but she also won multiple Glammys at Sunday night's awards ceremony.

the 16th Street studio space as DJ **Sugar-artiz** pumped the sweaty beats. Seen: **Ericka Toure Aviance**, **Nita Aviance**, **Andrew Martini**, **Michael Magnan**, **Ron Heichert**, **Rob Roth**, **Justin Ocean** and **One Half Nelson**.

Uptown at **mr. Black**, Seattle legend DJ **Colby B.** was tearing up the **Gary 49** turntables. We hear his set was so cunt, it even left DJ connoisseur **Roze Black** gasping. Seen: Balenciaga's **Luc Garcia** and **William** of Paris' Club Sandwich. Of course, Saturday night at **mr. Black** was no less gasp-worthy. Around 7pm word got out that **Tubway's** mystery DJ would be none other than **Junior Vasquez** himself, and the children went bananas! We hear that Junior was having so much fun, he extended his planned two hour set til the wee hours of the morning. Seen: **Peter Rauhofer**, **Patrick Duffy**, **Amanda Lepore**, **Sophia Lamar**, **Aimee Phillips**, **Xander**, **Akash Abraham** and **Chris Ryan**.

There was drama over at **HK**, where **Jason Preston** and **Jasen Kaplan's Heaven in Hell** had hot boys pouring in the door. Apparently, some drunk tried to steal **Logan Hardcore's** bottle. Security was about to escort the belligerent boy out when he clocked Ms. Hardcore

## HX'S 900TH ISSUE HOLIDAY PARTY @ EVOLVE

HX celebrated our 900th issue and the holiday season Wednesday night at **Evolve** with our extended nightlife family. A colorful cast of characters turned up to toast each other—and us!—and to nosh on the gorgeous little nibbles provided by **East of Eighth**. By the end of the evening, our halls were majorly decked! CLOCKWISE FROM LEFT: **Peppermint** & Mr. HX winner **Doug Repetti**; **Torez** & **Travis**; **Josh** & **Ajuna**; **Robin Byrd** & **Myk'I Black**; Nasty Pig's **David** & **Fred**.

in the eye, grabbed her wig and threw it across the room. Nice, dude. We hope you're proud of yourself. Seen: "Hand-some" **Joe Kern**, **Steve Gonzales**, **Dylan Pass**, **Doni Giovanni**, **Andrew Embiricos** and **Zoe Murphy**

We stopped by Café 50 to support the charity Toys for Whores, which offers toys to New York's underprivileged and underappreciated prostitutes. **Whore's Mascara** and **Linda Simpson** presided over the festivities, offering a choice of "Giver" or "Receiver" nametags to guests. The party was packed with 70% receivers and 30% givers. Figures. It is a recession, after all. Seen: DJ **Ben Harvey**, DJ **Buddy Gass**, MOMA photographer **Brian Bergeron**, CAA power agent **Winnie Kemp**, **Kevin Sanchez**.

Which brings us to our fateful Sunday night. We kicked things off at **Splash** where the crème de la crème of gay New York was on hand for the **10th Annual Glammy Awards**. Hosts **Sweetie** and **Jackie Beat** handed out shiny little trophies to the winners while **The Kiki Twins**, **Epiphany** and **Britney Houston** performed. Of course, we're not really sure who won what—we know **Nita Aviance** won something, and **Mike Dreyden**

won best go-go, and **Acid Betty** won both her categories, but the rest is a blur.

It only got blurrier as the night went on. After the awards we joined 'Piphey and DJ **David Serrano** at **Barracuda** for a quick drink before heading over to **g Lounge** for **Küte**, where most of the Glammy squad was partying. A couple drinks later, we hopped into DJ **Bill Coleman's** car with **Corey TuT** and **James Coppola** thinking we were headed for **Susanne Bartsch** and **Kenny Kenny's** new party at **Greenhouse**. Instead, we ended up at **XES** where we not only drunkenly tried to swipe what turned out to be **Peppermint's** Glammy award, but also attempted karaoke. We woke up the next morning with a sinus infection, a random pair of sunglasses and still no Glammy! Seen throughout the night: **QBoy**, **Myk'I Black**, **Gant Johnson**, **Logan Hardcore**, **HX go-go** of the year **William**, **Chandilier**, **Lady Bunny**, **Michael T**, **Michael Formika Jones**, **Xander** and **Joey Israel**.

Finally, we want to take a moment to mourn the passing of a true camp icon. Pinup legend **Bettie Page** died last week at the age of 85. Here's to you, lady!

## EYES WIDE SHUT

If you wear a mask, you can pretend it never happened! Ahhh. There's no aphrodisiac like anonymity. So get into it this New Year's Eve at Daniel Nardicio's Masked Ball! Eight totally naked dancers shake their schlongs and serve scrumptious hors d'oeuvres as Daniel lubricates you with a two hour open bar from 10pm–12am. With the party's infamous clothing optional policy, everything and anything can happen—and usually does. You'll be regaling your friends for months with tales of the things you thought you'd never have the courage to do. ## FRIDAY / DEC 19

### 49 THINGS I LOVE ABOUT YOU

The Euro-electro sexploration stays as debauchorous as ever this week as mr. Black celebrates the birthday of cocktail boy and photo-blog sensation The Ass. Sure, he may be turning 26 (give or take a few), but that rump is still as smooth as a baby's bottom! Yum. To make things extra kooky, The Trinity throws their annual holiday trash-fest (think Willy Wonka crossed with *The Nightmare Before Christmas*). So come sit on dirty Santa's lap, play with the mr. Black elves and even get lost in a snow blizzard... Gary 49 @ mr. Black, 251 W 30th St, mrblacknyc.com, 10pm, cover varies.

### GET HOSED

It's the grand opening of the East Village's newest gay bar, The Hose! DJ Major Dad proves that Daddy couldn't be *all* wrong. Your host Paul Short gets you sloshed on cheap drinks while you shake your junk on the dance floor. Bros before Hose, bitches. Mooseknuckle @ The Hose, 225 Av B/13th St (2nd floor), 212-979-8506, 10pm, free.

### JINGLE BALLS

Charity and sleaze collide tonight at The Eagle for the G.R.U.F.F. All Star Holiday Party. Bring canned goods or clothing (or just take off your shirt and donate it), then piss the night away with DJ Chauncey D, muscle-bound go-go studs, drink specials and live shows featuring more special guest porn stars than ever before. Plus, celebrate the birthday of your favorite hairy host, the indefatigable Max Scott! The G.R.U.F.F. All Star Holiday Party @ The Eagle, 554 W 28th St, 646-473-1866, eaglenyc.com, \$10, \$5 if on the guestlist (guestlist@maxscottevents.com) or in gear, 10pm.

## SATURDAY / DEC 20

### WE WISH YOU A MURRAY CHRISTMAS

Your holiday season just isn't complete without attending Murray Hill's legendary annual Yuletide show. "The hardest-working middle-aged man in show business" is inviting his nearest and dearest, including Amanda Lepore, Bridget Everett and Julie Atlas Muz, over to The Zipper Factory for a night of getting lit! Come pop pills from some Canadian online pharmacy, sing songs and break out into dance—anything to forget about the recession and the impending end of the world. Murray Little Christmas @ The Zipper Factory, 336 W 37th St, 212-352-3101, thezipperfactory.com, 8pm, \$30.

### JUST DANCE

Celebrate the holidays Dance:208-style with the annual Twinkle party. Florida-based DJ Robbie Leslie (The Saint, White Party, Pier Dance, Sea Tea, Splash) makes his much-anticipated return to The Center with his signature collection of sweet beats. Don't forget your flags, tambourines and sleigh-bells. Dance:208 @ LGBT Center, 208 W 13th St, 212-620-7310, gaycenter.org, 9pm-1am, \$10, \$6 for members, flaggers and fanners and before 10pm.

### RAPTURE

If you haven't been to the fabulous Santos Party House yet, what the hell are you waiting for? Tonight, Patrick Duffy presents Andrew Buckler's White Christmas Party, a charity concert for the Gay Men's Health Crisis. Get a VIP ticket and indulge in the Skyy open bar from 9-11pm, or just show up at 11 for the concert, which features the tantalizing line-up of Debbie Harry, Jasper James, Angelique Ali, Michele Balan, Sequinette and Acrobatic. It's a much better way to contribute to charity than attending Michael Lohan's charity boxing match, trust us. Andrew Buckler's White Christmas Party @ Santos Party House, 100 Lafayette St/Canal St, santospartyhouse.com, gmhc.org, 212-714-4646, 9pm, \$40 VIP, \$25 regular admission.

## DROPPIN' THE F-BOMB

Whenever mr. Black vacates a venue to set up shop in another, ever wonder what happens to the old incarnation? Well, wonder no more! Tonight, Michael "Formika" Jones and Mark Nelson debut a brand new party at mr. Black's old 24th Street space called F Word Saturdays. It's gonna be a smackdown for the ages with three floors of booty-shakin' madness, beats provided by Johnny Dynell, Lina and Bill Coleman and \$1 drinks from 10–11pm. Cazwell, Amanda Lepore, Ricardo Studmuffin, Kinky Kelvin, Joey Israel and Miss Guy take on hosting duties. Sounds like the only thing this party's lacking is Boy George lurking in the basement wielding handcuffs and a metal chain. Although we won't be surprised if he shows up... *F Word Saturdays @ The Madison, 27 W 24th St/6th Av, 212-206-7579, 10pm, free before midnight, \$10 after w/password at the door: f\*ck.*

## NICK AT NITE

You saw him on the cover of *Instinct* magazine this month. Now meet him in the flesh! Broadway hottie Nick Adams (of *Chicago* and *A Chorus Line* fame) stops by Jason Preston's Heaven In

Hell party to sign autographs, take pix and, if you're lucky, show you just how well he does the splits. *Heaven In Hell @ HK Lounge, 409 W 39th St/9th Av, hkhellskitchen.com, 212-947-4208, 10pm, free.*

## PANTY RAID

While you're highly encouraged to arrive decked out in your best Santa costume, be prepared to check those red velvet pants at the door if you want 2-4-1 drinks. That's right, Theo and Michael T are serving up another edition of their infamous Panty Party, and this time it's all about Santa's panties. With live performances by Kissy Kamikaze, Peephole and Umbrella Brigade, tonight's festivities are sure to get your undies in a twist. *Rated X/The Panty Party @ Don Hill's, 511 Greenwich St/Spring St, 212-219-2850, donhills.com, 10pm, \$5–\$10.*

## SAINTS AND SINNERS

The apostles are out in full force this month, but The Saint, well, The Saint is *still* at large. And that's just the way we 24-hour party people like it! At tonight's epic Saint At Large Christmas Party at Pachita, DJs Michael Magnan and Eddie Elias turn out fierce sets that'll get you so hot you'll forget it's freezing outside! Don't worry, your ticket also earns you entrance to Jonathan Peters' Holiday Ball on the main Pacha floor. Won't you ride my sleigh tonight? *The Saint At Large Christmas Party @ Pachita, 618 W 46th St/11th Av, saintat-large.com, 212-209-7900, \$30 advance, \$40 at the door, 10pm–6:30am.*

## SHOOT FAR, SUPERSTAR!

The Hose's drenched and debauchorous grand opening weekend continues as a new monthly dance party called Rocket blasts off! Run Like Hell provides your in-flight entertainment, spinning the galactic sounds of disco, house, techno and beyond. Meanwhile, your captains Ashton and Ryan will likely be too drunk to navigate the journey, so step into the cockpit yourself and help lead the crew to Uranus. Cheap and stiff cocktails will give you maximum thrust. *Rocket @ The Hose, 225 Av B/13th St (2nd floor), 212-979-8506, 10pm, free.*

Over 2000 years ago in the little hillside town of Bethlehem a miraculous birth occurred. You might think you know the real story, but you don't. Played by drag star Mimi Imfurst, Jesus' teen mother sets the record straight with *Oh Holy Shit, It's Christmas!*, a musical retelling of the months leading up to the birth of Christ. With the help of her sidekicks—the jazz trio The Three Weissmans—The Virgin Mary explains why she really agreed to have God's baby and shares in great detail how the Holy Spirit *came* upon her. SANDRA BERNHARD BRINGS HER BITING WIT TO JOE'S PUB FOR A STRING OF SPECIAL NEW YEAR'S SHOWS

BEFORE KATHY GRIFFIN bitched about her life on the D-list, before Sarah Silverman's dirty mouth made her famous, before Chelsea Handler had her own big gay following, there was Sandra Bernhard. Since achieving near-legendary status with her 1988 one woman show, *Without You I'm Nothing*, the always outspoken comedian has been blending monologue, cabaret and arena rock, pioneering a brand of stand-up that often borders on performance art. As 2008 draws to a close, Ms. Sandra is celebrating the end of the Bush era, the dawn of Obama-nation and the defeat of Sarah Palin with a string of New Year's shows at Joe's Pub. We caught up with the lady as she prepped for ball-droppin' gigs.

**HX: These New Year's Eve shows at Joe's Pub have become kind of a tradition for you. How long have you been doing them?**

**Sandra Bernhard:** I did it two years in a row, and then last year I was out in San Francisco. But I'm back this year for the venue's 10th anniversary.

**So, what can we expect at the shows?**

A retrospective of madness. I'm thrilled in these hard times that everyone is coming out to my shows!

to the last eight years when my material has been a lot more political. The political stuff wears thin, but I think the personal stuff is still relevant.

**When you were putting the 20th anniversary show together, did you draw from the film version at all?**

I wanted to preserve it the way it was on stage. So much of what we added to the film was cinematic, and it just wouldn't have worked on stage.

**When are you bringing that show to New York?**

I'll bring it through next year, in a much bigger venue.

**Your comment about Sarah Palin getting gang-raped by big black men got a lot of air time...**

I think the reason it did get so much air time was because I was in D.C. doing my show, and they have all those political watchdog blogs and they got wind of it. But do I regret what I said? No.

**Do you think she's going to become a cultural figure?**

She's not particularly funny or interesting. I think the American public will get tired of her pretty quickly.

**Why don't we ever see you out at the clubs anymore?**

I don't really get out as much as I used to. So much of my

## DO I REGRET WHAT I SAID ABOUT SARAH PALIN? NO.

**You're also touring for the 20th anniversary of *Without You I'm Nothing*. What was it like returning to that material after so long?**

It's like an old shoe, really. I did that show so long and it had such an impact, that it always comes up, it's always with me. And so much of it is so personal as opposed

energy goes into performing. We play the songs I'd want to hear anyway, and I'm singing them, so it's even better.

**Well we miss you out there.** Maybe I can be coaxed out...

*Sandra Bernhard, Dec. 26-31 @ Joe's Pub, 425 Lafayette St, 212-967-7555, joespub.com, \$50-\$150.*

## JINGLE ALL THE GAY

THE SAINT AT LARGE  
PUTS THE XXX IN X-MAS

OUR LOINS always go a-tinglin' when we hear that The Saint at Large team is plotting another one of their legendary dance extravaganzas. This time, the SAL crew is bringing together wild characters, porn stars, go-go boys, fierce ladies, DJs, promoters and arbitrators of gay cool for their first ever Christmas Party! We chatted with The Saint at Large's Derek Graves about what to expect at this top-notch affair.—*Bill Hanson*

**HX:** So just to be clear, this party is at Pachita, which is a room within Pacha. Tell me about the space.

**Derek Graves:** Intimate and cozy. Imagine a Sultan's bedroom with a great dancefloor.

## SINGLE FILE BY DJ BRENDA BLACK

**PINK** "Sober" (Junior Vasquez Edit)

This edit blends the moody ballad flavor of the album mix with punchy circuit house drums, organ stabs and zesty synth harmonies. Intoxicating pop house—pun intended!

**SEPTEMBER** "Because I Love You" (Dave Ramone Extended)

A flirtatious and playful mix with vibrant guitar strums, chirpy keyboards, a bouncy bass line and high hat-laced four to the floor dance beats.

**What will the vibe be like?**

It's a company party for people who genuinely like each other. Think folks dancing on the furniture wearing lamp shades and no sexual regrets on Monday morning.

**How will the party celebrate the Christmas spirit?**

We prefer to give rather than receive. If that doesn't cut it, we found a Santa whose lap guys will be craving to sit on.

**Any special surprises planned?**

Of course, but in this case, expect to want to talk and listen instead of standing and posing.

**You've got Xander hosting. What tricks does he have up his sleeve?**

He'll be hosting a dance-off for the 2009 Saint at Large Dance Crew. These go-go auditions are for the upcoming 30th Anniversary of The Black Party!

*The Christmas Party, Dec. 20  
@ Pachita, 618 W 46th St,  
saintatlarge.com, 10pm, \$30-\$40.*

September's voice enhances the track's whimsical hue.

**LADY SOVEREIGN**

"I Got You Dancing" (Single Mix)  
This lavish mishmash of Bmore beats, crunchy electro and undertones of Britney-esque hip hop/pop rhythms is set off by Sovereign's signature style.

## BOND 45

### IT'S THE CHEESE

As a former theater and once department store that seats 6,000, Bond 45 is the type of restaurant that lures in well-informed Times Square tourists in droves. Everything about the place is sprawling, from the pink and blue neon sign that greets you outside (you can't miss the place) to the marble staircase separating the two levels of dining. The result is a somewhat corporate atmosphere that feels at first just a few notches above a Macaroni Grill, but redeems itself with excellent entrees, and particularly the cheese.

Sitting around what was apparently the Rosie O'Donnell table near distressed mirrors and tourists discussing deer hunting and venison stew, my date and I were at first a little wary of Bond 45. Then the Italian food started arriving and I felt amoré! To start off the evening our incredibly perceptive and sometimes playful waiter recommended the Burrata Pugliese Caprese, an appetizer that has since made multiple appearances in my dreams. Made fresh in house, this creamy mozzarella was pillowy soft and complimented with a trio of fresh tomatoes.

Having read that *New York Magazine* called Bond 45's signature pizzas the best in the city, my date ordered the Organic Eggplant Parmigiana. We were ceremoniously presented with a paper thin Neapolitan style treat expansive enough to measure in square feet and almost worthy of the title. Topped with buffalo mozzarella, micro basil, Parmigiano Reggiano and delicious fire roasted San Marzano tomatoes, the pizza was crunchy around the perimeter and chewy near the inside. My Sliced Prime Steak Gorgonzola was equally appealing. Artfully presented with a tangle of crunchy, sweet onions and served crostino style with a gorgonzola sauce, I almost wilted with the first bite.

Bond 45 isn't a romantic hideaway, but the food, from fried artichokes to chocolate covered cheesecake, is most excellent. Rest assured knowing that this tourist haven is sending visitors home with a wonderful taste of New York.

Kate Beckinsale stars as a CIA-outing reporter in *Nothing But the Truth*

## NOTHING BUT THE TRUTH

**A WOMAN'S RIGHT TO NEWS**  
Starring Alan Alda, Kate Beckinsale, Angela Bassett and Matt Dillon; directed by Rod Lurie (Yari Film Group)

Rod Lurie's *Nothing But the Truth* is, at times, a striking portrait of two tremendous women thrust into a dismal situation. The problem, however, is that the inconsistencies in the script and acting ultimately make that story infuriating. Reporter Rachel Armstrong (a fairly successful and generally likeable Kate Beckinsale) discovers that the president ignored an intelligence report in order to declare war. In printing the story, Armstrong releases the name of an undercover CIA agent, who just so happens to be a fellow soccer mom. Once Armstrong's story breaks, the consequences quickly mount beyond even her wildest expectations, and by withholding the name of her primary source—violating a federal law—she is held in contempt of court and jailed.

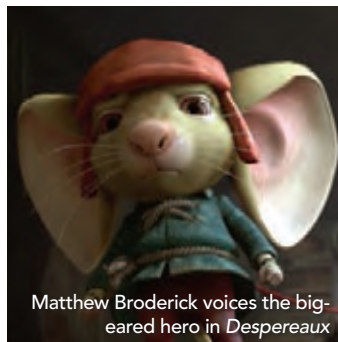

Vera Farmiga delivers a taut balancing act of loving mother and potentially dishonored operative, while Alan Alda offers up a noteworthy performance as Armstrong's charmingly doddering power attorney. The rest of the cast, including a predictable Matt Dillon and flat Angela Bassett, are spotty at best. The film touches on issues of integrity, journalistic rights and national security. The themes of career versus motherhood and an increasingly fear-driven society illuminate an otherwise recycled script, but the film ends with a brutal twist, undermining the entire plot. You're left wondering what's been accomplished and at what cost.

## THE TALE OF DESPEREAUX

**MOUSKETEER**

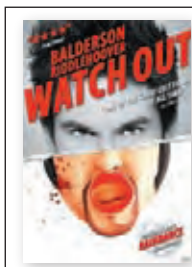

Starring Matthew Broderick, Emma Watson, Dustin Hoffman, Tracy Ullman; directed by Sam Fell & Rob Stevenhagen (Universal Pictures)

Kate DiCamillo's children's book lends itself to a brilliant film adaptation with

Matthew Broderick voices the big-eared hero in *Despereaux*

Matthew Broderick, Dustin Hoffman, Kevin Kline and *Harry Potter*'s Emma Watson voicing some engaging, adorable characters. A sea-faring rat, Roscuro, finds himself on leave in the Kingdom of Dor, known for its incredible Soup Day. Through unfortunate happenstance, Roscuro manages to incite a great tragedy. He is forced into exile in the dark, underground, Carnival-like Rat World, while a grieving Dor loses its soup and its princess. *Despereaux* Tilling, a mouse considered small even by mouse standards, has trouble understanding his place in society. His desire, not so much for change as for the ability to be who he wants to be, makes him a natural hero. Into the drama he leaps, oversized ears a-flapping. Three remarkably different worlds collide as mouse, rat and princess join forces to restore the status quo. The idiom "are you a man or a mouse?" plays a major role regarding both character and viewer, leaving you wondering all the way to the sweet, sweeping conclusion.

## WATCHMAN

The adorable Matt Riddlehoover stars in *Watch Out* (on DVD now at [Dikenga.com](http://Dikenga.com)), the story of a man so attracted to his own body that he enacts a twisted sexual relationship with a blow-up doll that look just like him. Ensnared in a world of Polish prostitutes and carnivorous preists, this modern Narcissus descends further into madness, ultimately assassinating the world's most famous pop diva in this bizarre little film from director Steve Balderson.

## OGRE THE RAINBOW

SHREK OPENS ON BROADWAY AND HAS US ASKING THE QUESTION: "IS GREEN THE NEW GAY?"

A few bed-hopping bears, three little pigs looking for a place to crash, a wicked old witch and the Sugar Plum Fairy—I know, sounds like a typical Tuesday night at Vlada. It also happens to describe the motley ensemble of storybook misfits now appearing nightly at The Broadway Theatre in the latest hit movie-gone-musical, *Shrek*. Based on the DreamWorks animated film series, this one seems an obvious hit with both kids and adult audiences. But don't let its seemingly-adolescent subject matter fool you. There's no denying the vast homo-appeal of this show—due in part, to the themes of equality and individuality, encouraging us to "let our freak flags fly." Sprinkled with a bit of fairy dust by out director Jason Moore and choreographer Josh Prince, *Shrek* is heavily peppered with pop and queer cultural references, courtesy of Pulitzer Prize-winning writer David Lindsay-Abaire. There's the cross-dressing Big Bad Wolf (a self-proclaimed "hot tranny mess"), and spoofs on *Dreamgirls*, *Wicked* and *A Chorus Line*. And, of course, let's not forget that sassy little Gingerbread Man and his damn gumdrop buttons. That cookie's so queer!

*Shrek*, now open @ The Broadway Theatre, 1681 Bway, 212-239-6262, [shrekthemusical.com](http://shrekthemusical.com), \$50-\$110.

### CHRISTOPHER SIEBER

LORD FARQUAAD

Liza's not the only queen holding court on Broadway these days. A Tony nominee for his work in *Spamalot*, Broadway's openly-gay and positively hun-ky Christopher Sieber is a scream as Lord Farquaad. You might be most impressed to learn that Sieber remains on his knees through the entire performance, which as many of you know, is no easy way to earn a living. Brava!

### SUTTON FOSTER

PRINCESS FIONA

In the diva recession this generation is facing, it's comforting to know there is Sutton Foster. With the comedic timing of Carol Burnett and the vocal prowess of Patti LuPone, Foster doesn't disappoint. And really, where else can you catch a Tony Award-winning diva doing fart jokes?

### JOHN TARTAGLIA

PINOCCHIO

Best-known for his Tony-nominated work in *Avenue Q*, out actor John Tartaglia plays Pinocchio, the bratty little falsetto who gets wood every time he talks shit. His hilarious portrayal of the little puppet with a dream puts the "mary" in "marionette" and might leave you wondering which side of the toy shop Pinocchio hangs out on.

### DANIEL BREAKER

DONKEY

While occasionally borrowing some of the shtick that made Eddie Murphy's original creation of this character so memorable in the film, Breaker gays it up but good! His saucy sidekickery seems suited for a one-donkey cabaret engagement at The Duplex: "JUST JACKASS!"

ALL SHOWS LISTED ARE OF GAY INTEREST.

GEORGIE PORGIE  
*Grey's Anatomy's*  
T.R. Knight

## MEDICAL LEAVE

KNIGHT MAY BE OUT AT *GREY'S ANATOMY*

As numerous sources are reporting, it looks like *Grey's Anatomy* star T.R. Knight is hanging up his scrubs. The out actor, who plays perennial sad sack George O'Malley on the medical drama, is said to be in talks with producer Shonda Rhimes about getting off the show, even though he has three years left on his contract. I can't say this comes as a surprise. Grey's has pretty much become the McDreamy-McSteamy-McScotty hour, with the three studs competing to see who has better bedroom eyes. That doesn't give hound-dog faced Knight much to do, especially since his character's romantic liaisons have been tepid at best. (Is it the character or Knight's inability to generate sexual chemistry with female costars?) And let's not forget Knight is probably still sore from the f-word brouhaha with Isaiah Washington, which led to Washington's firing and Knight's premature outing. The show doesn't have a great track record with the gays: Actress Brooke Smith, who played lesbian character Dr. Erica Hahn, was abruptly dismissed this fall. Don't be worried about Knight's prospects, though: He started out as a stage actor and may find himself ultimately better suited for the Great White Way. Broadway doesn't care who you sleep with!

scene, fetching Lindsay dives under the covers to gratify nervous nelly Gerald, but ends up getting kneed in the head. No actual sex is shown, but a viewer wrote censors complaining that the episode "showed in rather graphic physical details, the developing of a potential homosexual relationship." Heaven forefend!

The best of the best:  
Zeb Atlas pops his  
butt cherry with Adam  
Killian, below.

## BEST MEN, 1 & 2

DVDs are getting less and less profitable in the jizz biz, so Falcon Entertainment now wisely lets you watch entire movies streaming online. And that makes Woody's job much easier! So here, for your pleasure and mine, is *Best Men*, the company's annual two-part whopper.

Web porn graduate Tony Capucci is getting hitched (to a guy), so his buddies throw him a wild bachelor party in Vegas. Erik Rhodes joins a strip poker game, which naturally leads to Dylan Saunders getting spit-roasted by Rhodes and Rusty Stevens, while Tristan Jaxx squirts cum way across the room. Young beauties Mason Alexander and Rod Daily play sweetly in the pool after dark in a stunningly shot waterfall scene. Stripper Shane Frost ends up giving a drunken Tony a very special private show. And Roman Heart even manages to get fucked in the limo.

In Part Two, Jaxx returns home to find baby-faced Kirk Cummings happily fucking himself with a dildo. What's a guy to do but offer the real thing? Wedding planners Aden and Jordan Jaric take a break from folding napkins to join workmen Turk Mason and Austin Wyld in a

little group action. But when the big day arrives, word of Tony's indiscretions gets back to his fiancé, Andrew Blue. Instead of throwing a queeny fit, Blue responds with a threeway over the canapés with chefs TJ Hawke and Lucky Daniels.

Of course, the big whoop about this film is bodybuilding legend Zeb Atlas finally having gay butt sex with a real-life man—former *Splash* bartender Adam Killian. I have to admit, as the lone straighty at the party, seduced by all the gay talk, Zeb really puts his all into this, so to speak. But the best scenes are definitely Capucci giving Frost everything he wants, and Cummings endlessly riding Jaxx in total ecstasy.

There are some problems, as always. Rhodes and Heart both look totally stoned off their asses through most of the film, although I suspect they're playing up their wild off-screen reputations. And Daily shouldn't shave every hair off his body—it looks too prepubescent. All that aside, *Best Men* is a true Falcon blockbuster definitely worthy of your membership money. *Falcon, falconentertainment.com.*

## SAGITTARIUS

NOV 22–DEC 21

A neighbor's repetitive musical choice leaves Sagittarius feeling like a terrorism detainee this week. What is this awful racket that haunts your every waking hour and disrupts your every beauty sleep? If banging on the wall doesn't work, consider leaving feces on his door mat!

## CAPRICORN

DEC 22–JAN 19

Your corruption is about to surface like a glob of puss spurting from a pimple. This week, Capricorns are advised to maintain their cool and refrain from sticking their hands in the cookie jar. Spying eyes are watching!

## AQUARIUS

JAN 20–FEB 18

Aquarius needs to stimulate the brain. Why is that empty space between your ears full of belly-button lint and cobwebs? Get yourself out to a museum or take in a show. There are engaging spectacles other than YouTube.

## PISCES

FEB 19–MAR 20

Pisces has about two minutes to impress a sexy devil before he whisks someone else away to his underground lair. Normally the stars would advise you to pursue this beguiling braggadocio, but not this week. Let this one get away. A sweeter angel is waiting for you.

## ARIES

MAR 21–APR 19

An anonymous suggestion has Aries intrigued regarding the identity of your mystery mentor, but also enthused about a stalled art project. Let the advice excite your passions; they will be ready for ravaging once your Muse is made known to you.

## TAURUS

APR 20–MAY 20

This week, a jitterbug bites you square on the butt, and you bulls are powerless against the rhythm of the night. Whether you're alone in your apartment or among hundreds of sweating, chiseled torsos, get out there and dance.

## GEMINI

MAY 21–JUN 21

Someone hacked into your Facebook profile and discovered all the nasty things you've been writing about "friends" behind their backs. Who knew you were such a fucking bitch, Gemini? This week, wear that shit like a mink coat. You earned the hate.

## CANCER

JUN 22–JUL 22

I was about to vomit on the street after falling drunk out of a taxi when I thought of you, Cancer. You crabs are even more pitiful than my queasy, one-Appletini-too-many ass. This week, be a beacon of hope to everyone less pathetic than you.

## LEO

JUL 23–AUG 22

No, Leo cannot have the last yogurt in the communal refrigerator, because Leo did not contribute to the purchase of the yogurts. But you kitties love some yogurt! What to do? Try offering some cash to the yogurt Nazi, and enjoy your dairy treat.

## VIRGO

AUG 23–SEP 22

Virgo is so sick of morons who use tired little sayings and think they are the funniest bitches ever to discover the written language. You are way too educated for such paltry literary undertakings. So, why are you reading this column this week?

## LIBRA

SEP 23–OCT 23

Libra is a mess, girl. The past year offered some poignant examples of how you insane bitches should not be living life, but you keep on taking a left—into a brick wall—when you should have taken a right. Learn from your mistakes already.

## SCORPIO

OCT 24–NOV 21

A loved one is upset about all the secret stuff Scorpio has been writing in a public forum or other such online environment. Resist the temptation to type such tidbits. Do you really want your sweetie's tears staining his rosy cheeks?

THIS WEEK'S

## SAGITTARIUS

### JEFF LITTLE HORSE

This week's Sagittarius can be found shaking his adorable booty on the bar just about every weekend at Sugarland's Frisky Fridays. Got a dollar for the birthday boy?

#### How will you celebrate?

Probably in gun metal lamé.

#### Who should jump out of your birthday cake?

A giant kitten with questionable morals and a dog-eared copy of *Swingin' Sixties*.

#### What was your worst birthday?

That one birthday my parents died. Just kidding. My birthdays are always fun. Hi Ma!

#### What gift will you give yourself?

Ooh, the gift of the magi!

#### What was your sexiest age?

I'd say it's coming any year now...

#### What's your favorite sign in the bedroom?

Pisces and Scorpio: one for the front and one for the back.

#### Divulge the secret to youthfulness.

Keep your head in the clouds.

#### What does the year ahead hold?

My Saturn return, it seems. And drastically varying hairstyles.

#### What's the best advice you've ever been given?

If it doesn't smell right, don't put it in your mouth.

Money Can't Buy You Love,  
but the Rest is Negotiable
